

NAZIRITE CREED

For The Saints And The Lamb

Never Shall My God Fail Me! For I Have Vowed To Be An Offering For His Purpose And Service, Fully Knowing The Hazards Of My Chosen Walk.

Acknowledging That A Nazirite Is A Separated Soldier In The Army Of God, Who Rises Up To The Call Of Battle In Total Peace Of Mind, Body, And Spirit.

Zealously Will I Push Forth To Show The World That I Am A Specially Selected And Well Trained Soldier Who Is Willing To Shoulder More Than My Share Of God's Task At Hand, Whatever It May Be. One Hundred Percent And Then Some.

Inspired By The Spirit Of The Lamb, I Will Stand Before The Enemies Of The Most High And I Shall Defeat Them For He Has Trained Me To Fight With All My Heart, Willing To Defend The Freedom Of The Saints To The End From The Hands Of Our Adversaries, For My God Is With Me.

Recognizing That I Must Always Be Ready, In Season And Out, Mentally Alert, Physically Strong, And Morally Straight To Uphold The Prestige, Honor, and High "Esprit De Corps" Of The Nazirite.

I Accept The Fact That As A Nazirite My God Expects Me To Move Further, Receive Deeper, And Fight Harder Than Any Other Soldier In The Army Of God.

Totally Surrendered In All Love For Others And Manner Of Attitude, I Shall Display The Intestinal Fortitude Required To Set The Example For Fellow Soldiers To Follow.

Ever Will I Serve The Lamb Of God, To Fight Forward To The Nazirite Objective And To Complete This Present Mission On Earth. And Though I May Stand Alone, Under No Circumstance, Will I Ever SHAME MY GOD!
